https://successformula.nl/job/success-formula-ambassador-maastricht/

Program Ambassador (Maastricht)

Employment Type
Part time with 0 hour contract

Beginning of employment
Right away

Duration of employment
Minimum of 6 months

Working Hours
There are no set working hours, as this job is flexible and depends on the strategy of the ambassador

Description

Success Formula is expanding and we are looking for ambassadors!

We are looking for students with a strong social circle, and with access to a large network of students to spread information and promote Success Formula classes and products.

The students that join Success Formula due to your promotional activities will receive a 5 euro discount on classes (can only be used once) and you will get rewarded for each new sign up.

The position does not require any fixed hours and will allow the applicant to promote in the best way he or she sees fit. Additionally, we are continuously looking for new applicants throughout the whole year and are always interested in receiving new applications.

Responsibilities

- Know all about Success Formula and the variety of classes we offer
- Promote to a wide variety of students both online and in person
- Grow a network of students interested in participating in the variety of Success Formula classes

Qualfication

Prior experience is not required.

Extra qualifications

While there is no needed qualifications having the following experience may benefit you in the recruitment process:

- Part of large student network
- Have access to a large amount of students
- Have online or social presence
- Prior experience promoting a brand
- Creative

Job Benefits

- Attractive compensation package
- Fully flexible work schedule
- Discounts on Success Formula services
- Access to Success Formula social events
- Access to the school at anytime (including team only breakroom with free food and drinks)
- Access to Success Formula presentation training
- Access to a place to launch your own idea
